Stanserv Genuine Services (Pvt) Ltd

ISO 45001: 2018 OH&S MANAGEMENT SYSTEM CERTIFIED

STAN-EP-A006

## ENVIRONMENTAL POLICY

Stanserv Genuine Services (SGS) is a leading service provider in volumetric calibration, fuel management, tank/tanker degassing, petroleum engineering and ultrasound storage tank integrity testing. Our clientele base includes petroleum, aviation, beverage and mining industries. The organization also specializes in supplying, servicing and maintenance of petroleum and aviation equipment.

SGS recognises that its activities, products and services are capable of having a significant impact on the environment. The Organisation is thereby committed to addressing these possible impacts through established Environmental Management System objectives, striving to meet all compliance obligations and incorporating sustainability into its core business operations.

In particular, SGS is committed to:

- Protection of the environment, including prevention of pollution, sustainable resource use, climate change mitigation and adaptation as well as ecosystem protection.
- Formulation of products and services which are environmentally friendly in use and have minimal impact regarding waste disposal or accidental spillage.
- Continual reduction of the company's environmental footprint in all aspects of the business through continually minimizing waste generation and resource consumption through recovering, recycling and reusing.
- Fulfilling its compliance obligations, environmental regulations, codes of practice and other requirements relevant to the Environmental Management System (OHSMS).
- Taking into account environmental concerns of interested parties such as regulatory authorities, neighbours, suppliers, contractors, shareholders and the public.
- Continual improvement of the Environmental Management System to enhance environmental performance within the Organisation.

This Policy will be reviewed at least once annually even when no changes have occurred.
